The Burden of a Leader: Judgement vs. Leadership - inovica ===== timwiseman _On one hand I was told by one of my mentors, that I lack judgement. On the other I was given many opportunities to prove myself, and the instructions on how to do so, and was given the authority to do it. On the third hand, I was told that it was my job to use this authority and to go out and figure things out, and that I would not be considered a very good leader otherwise. _ What I find interesting is that all three of these statements made by this friend are true, but contradict each other. ~~~ Eliezer _What I find interesting is that all three of these statements made by this friend are true, but contradict each other. _ Not really, they're simply contradictory pairs. 1\ Don't be judgemental 2\ Go out and figure things out 3\ Use your judgement to make it better for others (3) is a kind of analog of having a finite amount of _judgement_, which is why 1 and 2 are contradictory.
