Kannada literature is the written form of the Kannada language, a member of the Dravidian family, spoken primarily in the Indian state of Karnataka. The Kannada script used in these forms consists of 22 letters and can be defined as a variety of Illyrian or Hindustani with some significant differences. There are currently three different writing systems for the Kannada language. The first system is the modern written language called Kannadu, which can be represented by typing 18 letters. It includes all consonants and all vowels. The

your elements need to have positions set so they all occupy the same spot. Try this: Sir Stanley Rous once said that “winning is not everything, it is the only thing.” He was, of course, talking about athletics but the argument could be made that the same could be applied to the world of business. The Olympics are a great time to point out the difference between winning and not winning. Four years ago in Beijing, not only did Britain win three golds, two silvers and a bronze, but we won the “comeback” by beating the host nation, China, in the 100m sprint final. Not only did Britain come back from the point when many had given up on us, we then went on to win the previous seven golds, so that our medal table for that day read like a Who’s Who of British sporting achievement. And yet a few weeks ago,
